

NATIONAL PUBLIC SCHOOL YESHWANTHPUR BENGALURU

ANNUAL REPORT

“Education is the most powerful weapon you can use to change the world” – Nelson Mandela

A global pandemic can affect our mental and physical health – and that is without even catching the virus. As educators, students, parents and professionals, endured this huge wave of change and uncertainty, the importance of education remained consistent at National Public School, Yeshwanthpur.

It was a smooth transition as the school progressed towards online learning for the second consecutive year. The staff and faculty were geared up to handle online tools and techniques to make classes interesting and exciting. It was a digitally delightful experience for one and all. The objective of ensuring quality education with increasing learning opportunities and exposing students to a multi-dimensional learning platform was perfectly curated and culminated.

The start of the Academic Calendar for the year 2021-22 saw students and teachers in sync with the expected norms and processes laid out for an Online Learning Classroom. The organisation and structure of workflow in class created a typical school centric routine for the students and made learning qualitative and productive. Academics was the key focus with no compromise to the subject content and deliverability. Teachers made their classes interesting by adding various learning aids through digital contents and promoted the process of learning to the students effectively.

A multitude of events and celebrations were presented in the online platform throughout the year with much excitement and enthusiasm. Students participated with great zeal and passion and made every occasion a memorable one.

From Environment Day, Independence Day, Children’s Day, Christmas and Republic Day to participating in CCA, Association and Sports based activities, the overall co-scholastic experience of students was well designed and delivered to students periodically.

The students of classes 6 to 8 were privileged to be part of the pilot batch of students who were introduced to Skill Education. Conforming to the expectations of the NEP’s Policies on Skill based education, the school was prepared to initiate the process of Skill education to the students with an exceptional team of trained staff.

The school hosted an exceptionally well executed Inter-School Competition- Goonj 2021 during the month of July 2021. An amalgamation of thoughts and actions, ideas, innovations, debates, and deductions were the flavour and spirit of this energetic and ecstatic event.

The Pre-Primary department dedicated a day exclusively for play by conducting E-Udaan the Virtual Carnival. Activities ranging from art mania to answer the questions, clay station to quiz wiz, fireless cooking to origami, virtual tour to dance floor, it was a total celebration galore.

Soon, with conducive regulations from the mandates received by the Boards and governing bodies, the advent of hybrid sessions began. Students took the opportunity to attend classes in

person or continue with online classes and the school made every facility possible to make students at ease in their choice of class.

The school provided uninterrupted internet services for all the classrooms, labs, libraries, staffrooms and other utility spaces to accommodate the needs of hybrid learning sessions. Interactive Panels were installed at every juncture of the school for easy access to latest teaching tools loaded with features for the users.

The graduating batch of students bid adieu to their alma mater on the pious occasion of the Graduation Day. A ceremonious occasion graced by dignitaries and visionaries was witnessed by parents virtually and the graduands participated in person. The Academic Session culminated with the focus on further academic engagements and expectations and progressed towards planning for the upcoming session with much trust, hope and prayers to get back to physical school
